

SGL-SS

L-shaped Plates, steel with solid lubricant

Product discription:

L-shaped Plates, steel with solid lubricant

Article properties:

Sliding speed v	15 m/min
Base Material	Steel with solid lubricant
Self-lubricating	Yes
Lubricant	Graphite
Surface Pressure P	50 N/mm ²
P*v-value	100 N/mm ² x m/min
Operating temperature	-50°C / +150°C

Variants:
